Public Input Questionnaire

1. What do you like most about the Harbach Park area?
2. What specific park amenities do you use within the Harbach Park area?
3. How often do you visit Harbach Park?

4. How do you usually get to Harbach Park?
5. If anything, what park improvements would create a better environment for your activity within the Harbach Park area?
6. What additional activities would you like to see within the Harbach Park area?
7. Do you know of any conditions that the design team should be aware of? For instance, "there is standing water in the parking area", "access to electricity is needed", "sidewalks need repair".
8. What do you want to remain the same in Harbach Park?
