(c) The City hereby determines that all limitations upon the issuance of Bonds have been met and the Bonds are being authorized, issued and sold in accordance with the provisions of §§ 6-8B-30 to 6-8B-52, inclusive.

## ARTICLE III. AUTHORITY, PLEDGE, RATES AND CHARGES AND ACCOUNTS

Section 3.1. Authority.

In order to (i) refund the Refunded Bond and (ii) pay costs incident to the sale and issuance of the Bonds, there shall be issued pursuant to, and in accordance with, the provisions of the Act, the Bond Resolution, and other applicable provisions of law, Water Revenue Bonds of the City in the aggregate principal amount of not to exceed \$1,800,000.

Section 3.2. Pledge of Revenues.

The Bonds shall not constitute constitutional debt under Section 13 Section 4 of the South Dakota constitution. The Bonds, together with the interest thereon, shall not constitute a charge against the City's general credit or taxing power, but shall be a limited obligation of the City payable solely out of the 2020 Project Revenue Account (the "Net Income or Revenues"), which payments, revenues and receipts are hereby pledged and assigned for

the equal and ratable payments of the Bonds and shall be used for no other purpose than to pay the principal of and interest on the Bonds (including the purpose of securing Additional Bonds issued as permitted by the terms thereof). The City covenants and agrees to charge rates for all services from the Project or establish special charges or surcharges which will be sufficient to provide for the payments upon the Bonds issued hereunder as and when the same become due, and as may be necessary to provide for the operation and maintenance and repairs of the System, and depreciation, and the rate ordinance or resolution shall be revised from time to time so as to produce these amounts. The City hereby reserves the right to determine on a periodic basis the appropriate allocation of operation and maintenance expenses, depreciation, repair and reserves associated with the facilities financed with the Refunded Bond, provided that such determination of allocable operation and maintenance expenses shall in no event abrogate, abridge or otherwise contravene the covenant of the City set forth in this Section 3.2 or any other. The Finance Officer will present to the City Council for inclusion in the annual appropriation ordinance an appropriation sufficient to pay all principal and interest payments on the Bonds and other Outstanding Bonds of the City, and in the event there is insufficient revenues to pay the Bonds when due, the City will take all other actions necessary to raise rates to provide moneys for the payment of the Bonds of the City or from sources lawfully available for this purpose.

Section 3.3. Segregation. The Finance Officer shall set up bookkeeping accounts in accordance with South Dakota Legislative Audit guidelines for the segregation of the revenue, special charges and surcharges.

Section 3.4. Periodic review. The amount of the surcharge shall be reviewed from time to time, not less than yearly, and shall be modified in order to produce such funds as are necessary and required to comply with the Loan Agreement's rate covenant and to pay principal of and interest the Bond when due. The surcharge may be set by resolution in accordance with this Section. The rate resolution shall be necessary for the support of government and shall be effective upon passage.

Section 3.5. Project Fund Accounts.

For the purpose of application and proper allocation of the income of the Project and to secure the payment of principal and interest on the Bond, the following mandatory asset segregations shall be included in the water system account of the City and shall be used solely for the following respective purposes until payment in full of the principal and interest on the Bonds:

(a) Project Revenue Account. There shall be deposited periodically into the Project Revenue Account the net revenues as defined in Section 17 of the Act derived from the operation of the Project collected pursuant to the resolutions and ordinances of the City (collectively the "Rate Resolution"). Moneys from the Project Revenue Account shall be transferred periodically into separate funds and accounts as provided below.

(b) Project Debt Service Account. Out of the revenues in the Project Revenue Account, there shall be set aside no later than the 25th day of each month into the account designated Project Debt Service Account, a sum sufficient to provide for the payment as the same become due of the next maturing principal and/or interest payment on the Bonds.

(c) Depreciation Account. There shall be established a General Depreciation Account. Out of the revenues of the Project Revenue Account there shall be set aside each month into the General Depreciation Account an amount determined by the Common Council to be a proper and adequate amount for repair and depreciation of the Project.

(d) Project Surplus Account. There shall be established the Project Surplus Account. Revenues remaining in the Project Revenue Account at the end of any fiscal year after all periodic transfers have been made therefrom as above required, shall be deemed to be surplus and shall be transferred to the Project Surplus Account. If at any time there shall exist any default in making any periodic transfer to the Project Debt Service Account, the Common Council shall authorize the City Finance Officer to rectify such default so far as possible by the transfer of money from the Project Surplus Account. If any such default shall exist as to more than one account or fund at any time, then such transfer shall be made in the order such funds and accounts are listed above.

When not required to restore a current deficiency in the Project Debt Service Account, moneys in the Project Surplus Account from time to time may be used for any of the following purposes and not otherwise:

To redeem and prepay the Bond when and as such Bond becomes prepayable according to its terms;

To pay for repairs of or for the construction and installation of improvements or additions to the System; and, if the balances in the Project Debt Service Account and the Project Depreciation Account are sufficient to meet all payments required or reasonably anticipated to be made there from prior to the end of the then current fiscal year, then:

To be held as a reserve for redemption and prepayment of any bonds of the System which are not then but will later be prepayable according to their terms; or

To be used for any other authorized municipal purpose designated by the Common Council.

No moneys shall at any time be transferred from the Project Surplus Account or any other account of the Fund to any other fund of the City, nor shall such moneys at any time be loaned to other municipal funds or invested in warrants, special improvements bonds or other obligations payable from other funds, except as provided in this Section.

##### 4.4. Additional Bonds.

As permitted by SDCL 9-40-8 and SDCL 9-40-9, Additional Bonds payable from revenues and income of the Project may be issued as provided in the Bond Purchase Agreement, and no provision of this Resolution shall have the effect of restricting the issuance of, or impairing the lien of, such additional parity bonds with respect to the net revenues or income from the extensions, additions or improvements. The City shall have the right to issue additional bonds secured by a lien subordinate to the lien from the Bonds.

##### Section 4.5. Negotiability of Bonds.

Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or Bonds to the assignee(s) in \$0.01 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the City to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the City nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. In every case of exchange or substitution, the Bondholder shall furnish to the City and the Registration Agent: (1) such security or indemnity as may be required by them to save each of them harmless from all risks, however remote; and, (2) evidence to their satisfaction of the mutilation, destruction, loss, or theft of the subject Bond and the ownership thereof. Upon the issuance of any Bond upon such exchange or substitution, the City and the Registration Agent may require the Owner thereof to pay a sum sufficient to defray any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including printing costs and counsel fees, of the City and the Registration Agent. In the event any Bond which has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, the City may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Bond) if the Owner thereof shall pay all costs and expenses, including attorney's fees, incurred by the City and the Registration Agent in connection herewith, as well as a sum sufficient to defray any tax or other governmental charge that may be imposed in relation thereto and shall furnish to the City and the Registration Agent such security or indemnity as they may require to save them harmless and evidence to the satisfaction of the City and the Registration Agent the mutilation, destruction, loss, or theft of such Bond and of the ownership thereof.

(b) Every Bond issued pursuant to the provisions of this section shall constitute an additional contractual obligation of the City (whether or not the destroyed, lost, or stolen Bond shall be found at any time to be enforceable) and shall be entitled to all the benefits of this Bond Resolution equally and proportionately with any and all other Bonds duly issued under this Bond Resolution.

(c) All Bonds shall be held and owned upon the express condition that the provisions of this Section are exclusive, with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Bonds, and, to the maximum extent legally permissible, shall preclude all other rights or remedies, notwithstanding any law or statute now existing or hereafter enacted to the contrary.

The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the Purchaser or as it may designate upon receipt by the City of the proceeds of the sale thereof, to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. #### ARTICLE VIII. SALE OF BONDS, DEPOSIT OF PROCEEDS AND TAX MATTERS

##### Section 8.1. Sale of Bonds.

The Bonds shall be sold to the Purchaser at a price to be set forth in the Bond Purchase Agreement. The Mayor and the Finance Officer, or either of them, in consultation with the Purchaser, are authorized to make such changes in the structuring of the terms and sale of the Bonds as they shall deem necessary to maximize the savings from the refunding of the Refunded Bond. In this regard, they, or either of them, in consultation with the Purchaser, are authorized to cause to be sold an aggregate principal amount of the Bonds less than that authorized herein, cause fewer than all the Refunded Bond to be refunded, to sell any or all of the Bonds as term Bonds with annual mandatory redemption requirements which will produce substantially the same annual principal reductions as authorized herein, to change the dated date of the Bonds, and to adjust principal and interest payment dates and redemption dates of the Bonds. The form of the Bond set forth in Exhibit A attached hereto shall be conformed to reflect any changes, if any, as hereinbefore mentioned. The Mayor and the President, or either of them, are hereby authorized to execute and the Finance Officer is authorized to attest the Bond Purchase Agreement with the Purchaser providing for the purchase and sale of the Bonds. The Bond Purchase Agreement shall be in form and content acceptable to the Mayor and Finance Officer, the execution thereof by either of them to constitute conclusive evidence thereof; provided the Bond Purchase Agreement effects the sale of the Bonds in accordance with the provisions of this Resolution, and is not inconsistent with the terms hereof. If legally possible the Mayor and Finance Officer are authorized to designate any series of the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The Mayor and the Finance Officer, or any of them, are authorized to cause the Bonds to be authenticated and delivered by the Registration Agent to the Purchaser and to execute, publish, and deliver all certificates and documents, including the Official Statement, and closing certificates and documents, as they shall deem necessary in connection with the sale and delivery of the Bonds.

##### Section 8.2. Disposition of Bond Proceeds.

The proceeds of the sale of the Bonds shall be disbursed as follows:

(a) An amount which, together with other legally available funds of the City, if any, and investment earnings thereon and on said Bond proceeds, will be sufficient to redeem on the earliest possible date, the Refunded Bond, shall be transferred to the Paying Agent; and

(b) The remaining proceeds of the sale of the Bonds shall be used to pay the costs of issuance and sale of the Bonds including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, rating agency fees, Registrar fees, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Bonds. Any funds remaining after payment of said expenses shall be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds.

#### Section 8.4. Tax Matters.

(a) The City covenants and agrees with the registered owners from time to time of the Series 2020A Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2020A Bonds to become includable in gross income for federal income tax purposes under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the basic interest on the Series 2020A Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

(b) The Mayor and the Finance Officer, being the officers of the City charged with the responsibility for issuing the Series 2020A Bonds pursuant to this Resolution are hereby authorized and directed to execute and deliver to the Purchaser thereof a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2020A Bonds, it is reasonably expected that the proceeds of the Series 2020A Bonds will be used in a manner that would not cause the Series 2020A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations.

(c) The City hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

(d) The City shall file with the Secretary of the Treasury a statement concerning the Series 2020A Bonds containing the information required by Section 149(e) of the Code.

(e) Pursuant to Section 265(b)(3)(B)(ii) of the Code, the City hereby designates the Series 2020A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The City hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265(b)(3) of the Code and including "qualified 501 (c)(3) Bonds" but excluding other "private activity Bonds," as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the City and all "subordinate entities" of the City in 2020 in an amount greater than \$10,000,000.

### ARTICLE IX. NOTICE OF REFUNDING

#### Section 9.1 Notice of Refunding.

After the issuance of the Bonds, notice of the City's intention to refund the Refunded Bond shall be posted on <http://emma.msrb.org>, if necessary, and be given, at the direction of the Finance Officer, by the respective paying agents for the Refunded Bond, to the respective Registered Owners of the Refunded Bond. Whereupon, the Registration Agent shall hold such monies, without liability for interest thereon, for the benefit of the Owner of such Bond who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Bond.

(b) If any Bond shall not be presented for payment within a period of five years following the date when such Bond becomes due, whether by maturity or otherwise, the Registration Agent shall, subject to the provisions of any applicable escheat or other similar law, pay to the City any monies then held by the Registration Agent for the payment of such Bond and such Bond shall (subject to the defense of any applicable statute of limitation) thereafter constitute an unsecured obligation of the City.

#### Section 10.2. Payments Due on Saturdays, Sundays, and Holidays.

In any case where the date of maturity or interest on or principal of any Bond, or the date fixed for redemption of any Bond, shall be a Saturday or Sunday or shall be, at the place designated for payment, a legal holiday or a day on which banking institutions similar to the Registration Agent are authorized by law to close, then the payment of the interest on, or the principal, or the redemption price of, such Bond need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions similar to the Registration Agent are authorized by law to close, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

The appropriate officers of the City are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, and certifications, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may, in their discretion, be necessary or desirable to implement or comply with the intent of this Bond Resolution, or any of the documents herein authorized and approved, or for the authorization, issuance, and delivery by the City of the Bonds.

#### Section 10.4. Amendment.

#### Section 10.5. No Recourse Under Bond Resolution or on Bonds.

All stipulations, promises, agreements, and obligations of the City contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the City and not of any officer, director, or employee of the City in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based on this Resolution against any officer, director, or employee of the City or against any official or individual executing the Bonds.

#### Section 10.6. Partial Invalidity.

If any one or more of the provisions of the Bond Resolution, or of any exhibit or attachment thereto, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but the Bond Resolution, and the exhibits and attachments thereto, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.
